FEEL

FEELING
GOOD

The **FEEL UNIQUE** clog offers you the benefits of light and comfortable footwear, from early morning until the end of your day. All this with the greatest freedom of expression, through various standards you affirm your uniqueness.

Description

FEEL UNIQUE, is a clog produced entirely from polymeric materials and microfibers and has the following components:

- Removable insole;
- Antistatic device;
- Heel-strap.

Users

FEEL UNIQUE, is ideal for uses where prolonged standing or walking may tend to induce foot discomfort or lower body fatigue, especially to be used in:

Hospitals and Other
Healthcare Institutions

Catering
industry

Beauty & Cosmetic
Institutes

Everyone with
an active life

Specifications

Super Light

Feelite™ technology produces remarkably light, resistant and comfortable footwear.

Shock Absorption

The special design helps to reduce the occurrence of micro-lesions in tendons, bones and joints, and the feeling of tired legs.

Washable

The footwear can be machine washed up to 30°C.

Upper Liquid Protection

Avoids the entrance of liquids inside the shoe.

Removable Insole

It's detachable to allow a deeper cleaning.

Breathable

Regulates the temperature and humidity of the foot.

Antislip

The sole is designed to reduce the risk of slipping.

Antistatic

Promotes the dissipation of accumulated static electricity.

Unisex

Style designed to be worn by men and women.

Materials and Technologies

FEEL UNIQUE is made with **Feelite™** technology. This technology is super lightweight and provides extreme comfort.

Technical Specifications

- Machine washing up to a maximum of 30 °C;
- Slip-resistant;
- Resistant to abrasion.

Technical Standard

CE

Regulation 2016/425.

Care and Cleaning

Wash: Machine washable up to a maximum temperature of 30°C. The removable insole must be washed inside the clog.

Dry: Wipe with a cloth or dry at room temperature, without direct exposure to light.

Attention

FEEL UNIQUE resists several washings at 30°C in washing machine. It is not recommended the use of bleaching agents during washing machine cycles at 30°C.

To keep your shoes new and beautiful for much longer, it is essential to follow some recommendations: Avoid getting your shoes wet, but in case this occurs, never place them in the sun. Let them dry in the shade and also away from any other source of heat, because heat damages the materials, the colour and the texture. A soft cloth is the main ally of this type of shoe and its cleaning should be done weekly or whenever necessary.

DECLARATION OF CONFORMITY

MANUFACTURER: WALKEMORE S.A
Rua das casas queimadas 567
4415-439 VN Gaia, Portugal

This EU declaration of conformity is issued under the sole responsibility of the manufacturer, who declares that the equipment included by this declaration complies with Regulation (EU) 2016/425 for Personal Protective Equipment - Category I.

PRODUCT NAME: **FEEL UNIQUE**
