WAYLITE

TRULY
LIGHT

WAYLITE, walk with maximum lightness, breathability and grip.

Description

WAYLITE, this occupational clog is entirely made of polymeric materials and has the following components:

- Antistatic insert;
- Strap;
- Ventilation holes.

Users

WAYLITE, is ideal for uses where prolonged standing or walking may tend to induce foot discomfort or lower body fatigue, especially to be used in:

Hospitals and Other
Healthcare Institutions

Cosmetic and
Beauty Companies

Cleaning
Companies

Geriatrics and
Physiotherapists

Specifications

Super Light

Feelite™ technology produces remarkably light, resistant and comfortable footwear.

Shock Absorption

The special design helps to reduce the occurrence of micro-lesions in tendons, bones and joints, and the feeling of tired legs.

Antistatic

Promotes the dissipation of accumulated static electricity.

Breathable

Regulates the temperature and humidity of the foot.

Upper Liquid Protection

Avoids the entrance of liquids inside the shoe.

Washable

The footwear can be machine washed up to 50 °C.

Antislip

The sole is designed to reduce the risk of slipping.

Materials and Technologies

WAYLITE is made with **Feelite™** technology. This technology is super lightweight and provides odor resistance, inhibits proliferation of bacteria and is non-toxic.

Technical Standard

CE
Regulation 2016/425

EN ISO 20347:2012
OB+A+E+SRC

Technical Specifications

- Heat resistance — machine washing up to a maximum of 50 °C;
- Slip-resistant;
- Resistant to abrasion;

Care and Cleaning

Wash: Machine washable up to a maximum temperature of 50 °C.

Dry: Wipe with a cloth or dry at room temperature.

Attention

WAYLITE resists several washings at 50 °C in washing machine. It is not recommended the use of bleaching agents during washing machine cycles at 50 °C.

To keep your shoes new and beautiful for much longer, it is essential to follow some recommendations: Avoid getting your shoes wet, but in case this occurs, never place them in the sun. Let them dry in the shade and also away from any other source of heat, because heat damages the materials, the colour and the texture. A soft cloth is the main ally of this type of shoe and its cleaning should be done weekly or whenever necessary.

DECLARATION OF CONFORMITY

MANUFACTURER: WALKEMORE, S.A
Rua das Casas Queimadas, n.º 567
4415-439 V.N. Gaia
Portugal

This EU declaration of conformity is issued under the sole responsibility of the manufacturer, who declares that the equipment included by this declaration complies with Regulation (EU) 2016/425 for Personal Protective Equipment - Category II.

PRODUCT NAME: **WAYLITE**
