NUBE

SAFETY
IN EACH STEP

NUBE was designed to assure an excellent antislip performance, allowing you to reach further and more comfortably.

Description

NUBE, this occupational clog is entirely made of polymeric materials and has the following components:

- Spillage protection device;
- Evergrip™ rubber track;
- Antistatic insert.

Users

NUBE, is ideal for uses where prolonged standing or walking may tend to induce foot discomfort or lower body fatigue, especially to be used in:

Food Industry

Swimming Pool Areas

Geriatrics and Physiotherapists

Hospitals and Other Healthcare Institutions

Specifications

Super Light

Feelite™ technology produces remarkably light, resistant and comfortable footwear.

Antislip

The sole is designed to reduce the risk of slipping — SRC Antislip approved.

Optional Insole

Allows you to raise even more your comfort.

Shock Absorption

The special design helps to reduce the occurrence of micro-lesions in tendons, bones and joints, and the feeling of tired legs.

Antistatic

Promotes the dissipation of accumulated static electricity.

Upper Liquid Protection

Avoids the entrance of liquids inside the shoe.

Spillage Protection

Allows to choose between extra ventilation or superior protection, which prevents the entrance of liquids into the footwear.

Breathable

Regulates the temperature and humidity of the foot.

Washable

The footwear can be machine washed up to 50 °C.*

Materials and Technologies

NUBE is made with **Feelite™** technology. Its material is super lightweight and provides extreme comfort.

The geometric design and the exclusive chemical formula used in the production of the rubber track of **NUBE** outsole, provides excellent adherence to the ground, reducing the risk of slipping. **NUBE's** Evergrip™ outsole accomplishes SRC antislip level.

Technical Standard

CE
Regulation 2016/425.

Technical Specifications

- SRC Slip-resistant;
- Machine washable up to a maximum of 50 °C;
- Resistant to abrasion;
- Evergrip™ Cooking oil resistant;
- Resistant to detergents;
- Resistant to liquids (such as infiltration of blood).

Care and Cleaning

Wash: Machine washable up to a maximum temperature of 50 °C. The removable insole must be washed with a wet cloth.

Dry: Wipe with a cloth or dry at room temperature.

Attention

NUBE resists several washings at 50 °C in washing machine. It is not recommended the use of bleaching agents during washing machine cycles at 50 °C.

To keep your shoes new and beautiful for much longer, it is essential to follow some recommendations: Avoid getting your shoes wet, but in case this occurs, never place them in the sun. Let them dry in the shade and also away from any other source of heat, because heat damages the materials, the colour and the texture. A soft cloth is the main ally of this type of shoe and its cleaning should be done weekly or whenever necessary.

* Optional insole is not machine washable.

DECLARATION OF CONFORMITY

MANUFACTURER: Procalçado – Produtora de Componentes para Calçado S.A.
Largo das Almilhas das Barrancas, 97
